

- 5.1 Resident vehicles must be parked either in unit garages or in the one additional assigned space reserved for each unit. Residents with more than two registered motor vehicles must park the additional vehicle(s) off premises.**
- 5.2 No vehicle may be parked along the curb or in front of garages in the common area driveway.**
- 5.3 No vehicle may be parked in the fire lanes (area designated by red-painted curbs).**
- 5.4 Commercial vehicles, mobile, homes, recreational vehicles, boats, trailers, campers or any disabled or unregistered vehicles are prohibited from parking or being stored in the DOHA common area. Commercial vehicles are considered to be any vehicle over  $\frac{3}{4}$  tons, displaying signs, tools and equipment used solely for commercial purposes, or customized in such a fashion for commercial usage only.**
- 5.5 Repair, construction, or reconstruction of any vehicles is prohibited in the DOHA common area. Any damage to the pavement or asphalt resulting from oil or other fuel leakage in an assigned parking space will be the responsibility of the resident.**
- 5.6 Any vehicle in violation of regulations 5.1 through 5.5 will be towed at the resident's expense. Said resident or owner may also be subject to additional fines as determined by the DOHA Board of Directors.**
- 5.7 Visitor Parking Permit tags are issued for guest parking. The tags are not to be used by residents for their own cars.**
- 5.8 Parking in "visitor" spaces is for DOHA guests only and may not be used for resident's vehicles. Parking in "visitor" spaces is limited to 24 hours.**
- 5.9 The car-wash area is reserved for car-wash use of DOHA residents only between the hours of 7:00 A.M. and 8:00 P.M. This space may be used for DOHA "visitor" parking only between the hours of 8:00 P.M. and 7:00 A.M.**
- 5.10 Handicapped parking are to be used for handicapped visitors, limited to 24 hours, or for temporary "drop off" and "pick up" of handicapped residents.**
